

Erin Neupauer- Letter of Recommendation

December 20, 2022

To Whom It May Concern:

I write to you on behalf of Performing Arts graduate student, Erin Neupauer. Erin recently completed her graduate studies at Savannah College of Art and Design, and she is engaging, intelligent, and committed to everything she takes on. I recommend her to you for representation without any reservations.

Erin went above and beyond in my On Camera Comedy and Commercials course this past Spring at SCAD. It is rare that a graduate student brings such enthusiasm, curiosity, and rigor to an acting class. When I first met Erin, it was immediately clear to me that she approached her work with both a sense of immense dedication and passion during the process. Erin is a student who is always prepared, eager and ready to learn.

Erin also shared her craft onstage last fall in our production of *Lost and Found, A Night of 10-Minute Plays*. Erin's work was personal, imaginative, and nurturing. As a fellow collaborator she has always been supportive of the directors and fellow actors she worked with. It is worth noting Erin brings a comfortable rapport that creates a cooperative environment for everyone in the field to further explore and discover. I found that Erin's attention to detail, her commitment to acting and her professional demeanor helps keep the bar high and made her a leader in the graduate program. As I have watched her work with other directors, producers, designers, and actors, I also witnessed a sense of ease in her approach that was extremely effective.

It is with pleasure that I write this letter of recommendation for Erin Neupauer. She is an actress with great depth and would be an excellent addition to your agency.

I am happy to answer any questions you may have – please do not hesitate to contact me if needed.

Sincerely,

Craig Anton
